### **Business by the Book - WordPress.com**

In America the use of the Bible as a business text goes back hundreds of years If you were to review a business school textbook from the nineteenth

century, you would find that most companies were privately owned sole proprietorships. Businesses expanded through equity funding or selling an interest in the business, and taxes were so

### **ESG: Impact on Companies Doing Business in America and Why ...**

Doing Business in America and Why They Must Care 2 When the environmental, social and governance (ESG) movement first began to take shape across corporate America nearly three decades ago, it was primarily an add-on practice for a handful of large public companies looking to implement socially responsible initiatives. Used as a financial term, ESG defined how investors evaluated companies.

### **Moving America's Small Businesses & Entrepreneurs Forward**

When America's small businesses are strong and growing, our communities are strong and growing. President Obama understands that to create an economy built to last—one that ensures millions of hard working Americans have the opportunity to achieve the American Dream—we must make sure that every entrepreneur and small business in America has the tools they need to grow. When President Obama
